NON-LOCAL ENROLMENT - Documentation Required for Enrolment

A written application on the **out of intake area application form** must be completed addressing a certain criteria. When addressing the criteria it should be clear and concise and specifically prove the case for enrolment of the student to the placement panel, who make a decision on whether or not to accept the student.

The school will provide you with further information about out-of-area selection criteria if requested or it can be found at the following link http://www.martinsgul-p.schools.nsw.edu.au/documents/12345058/12354931/nonlocal_enrolment_application_out_of_zone.pdf
