

HOW TO USE THE KISS AND RIDE ZONE

HOW TO USE THE KISS AND RIDE

- ▶ Register for Kiss and Ride via the registration form on the app and lodge at the office.
- ▶ You will receive a Kiss and Ride pack – including 2 laminated signs with the family name and elastic bands to secure the name to your sun visor in your car. The completed pack will be given to your eldest child's teacher when ready.
- ▶ Attach Family name to passenger side visor with elastic bands provided and turn visor down when in the Kiss and Ride line.
- ▶ When your turn comes, your family name will be communicated to the school gate and your children will be brought to the front of the queue.
- ▶ **The first two cars in the queue ONLY** will be loaded by a Parent helper and Teacher. These two cars (once loaded) will move off together.
- ▶ The next two cars will move into the first two positions and be loaded accordingly.
- ▶ NOTE: If your child/ren are not at the gate when you arrive at the front of the queue, and do not arrive within 2 minutes, you will be asked to move on, do a lap and re-join the queue. This is to aid the fluidity of the Kiss and Ride facility provided by the school.
- ▶ Once your car is loaded please wait for the car **IN FRONT OR BEHIND** you to pull out, so you pull out together so to alleviate cars moving into front spaces with back ends poking out into the street and blocking off other through traffic.
