

Welcome to Ryde East Public School Kindergarten Expo

# Kindergarten Experiences

Education  
Public Schools

# Excursions

Excursions form a memorable part of your child's learning journey. Excursions serve to support the curriculum, and can provide valuable social and emotional development opportunities for students that are not always available in the classroom. During the year, students may get the opportunity to attend a grade (Kindergarten only) or whole school excursion (eg. Athletics Carnival). In 2021, Kindergarten students were fortunate to visit Sydney Zoo to supplement their learning in Science.

# Sports events

There are two main sports events which Kindergarten students currently have the opportunity to attend and participate in. These are:

- Cross Country (held at school)
- Athletics Carnival (external venue)

Students can look forward to attending the Swimming Carnival, inter-school competitions (PSSA sports) and a range of other sports Gala Days as they enter upper primary school (Years 3-6).

# Incursions (Fairy Tale day)

Similarly to excursions, incursions form a memorable part of your child's learning journey. Incursions enable students to further their learning by complementing classroom lessons with experts and resources.

In Kindergarten, students often conclude their Fairy Tale unit of work with an incursion. Students are encouraged to come dressed on the day as their favourite fairy tale character, and participate in various activities related to Fairy Tales - sometimes even baking a gingerbread man!

# 100 Days of Kindy

Starting school is a significant event in the life of children and their families. Kindergarten is the first learning experience your child has of school - of the wonder and excitement of learning, discovery and exploration. To commemorate students' school learning journey, we hold a 100 days of school/ Kindy celebration.

Kindergarten students are invited to create a picture or construction out of 100 objects or pieces which they then share with their teachers and peers. We always receive a range of creative and captivating pieces of work!

# Enrol Now

Enrolments are open!

Contact our school office via phone or email to arrange a **COVID safe** completion of enrolment papers.
