

Welcome to Ryde East Public School Kindergarten Expo

# Sport, Environmental Group and SRC

Education  
Public Schools

# Sport Program

Kindergarten attend PE once a week with Mr Hurkett. During this time students learn about and play different sports, practise fundamental movement skills and learn how to use sporting equipment safely.

Students learn to follow rules and play fairly while participating in group games and challenges.

# PSSA

PSSA stands for Primary School Sports Association. Schools are placed into zones and compete against other schools in their zone on a Friday afternoon.

PSSA sports include; soccer, AFL, netball, softball, cricket and Tiger Tag.

PSSA starts for students in Year 3.

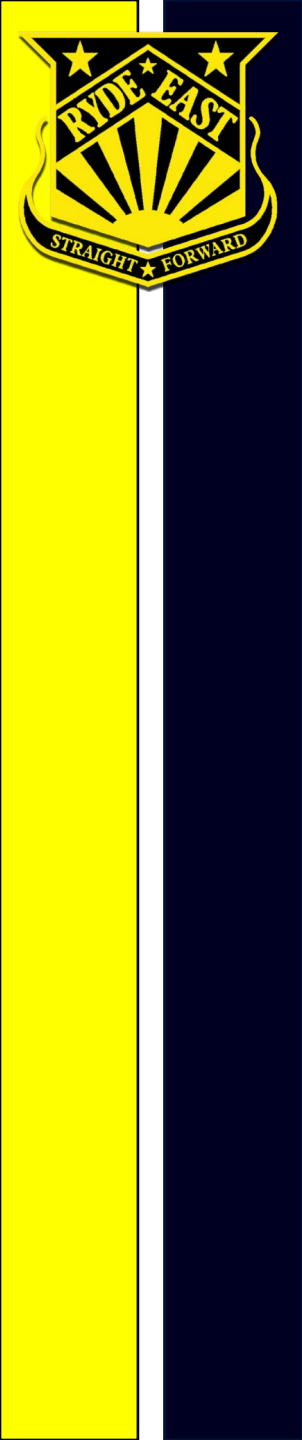

# Sports Carnivals

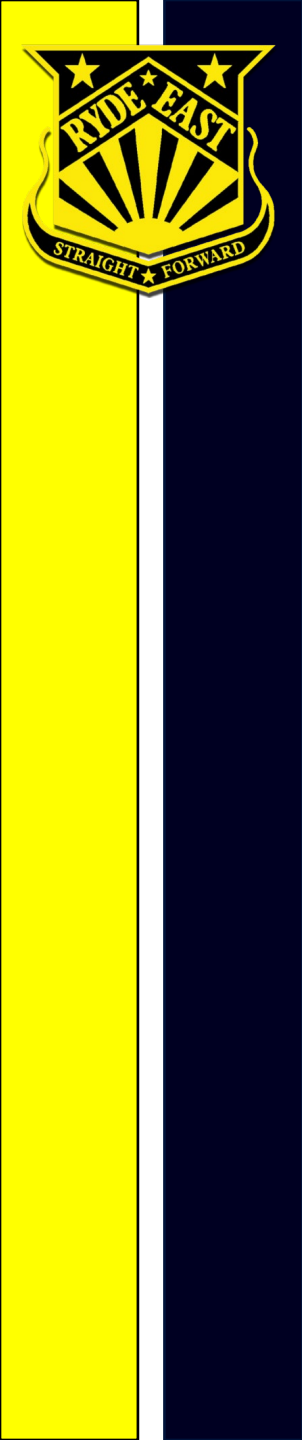

Kindergarten students participate in the school's annual cross country and athletics carnival.

The cross country carnival is usually held at the end of Term 1 on the school grounds. The Kindergarten students run one lap of the school.

The Athletics carnival is usually held in Term 3. The Kindergarten children participate in novelty events like the parachute, egg and spoon race and sack races to name a few as well as running a 70m race.

# Extra Curricular Programs

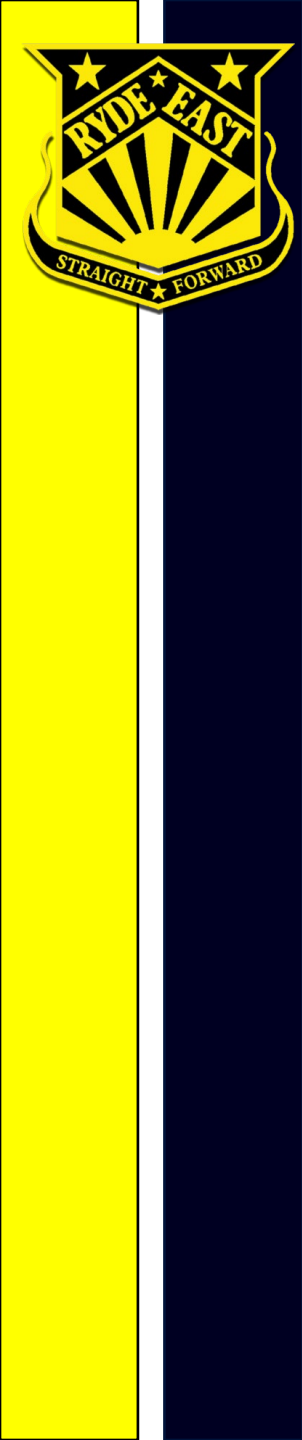

A P&C subcommittee for sport, runs extra curricular sporting groups and activities such as:

- Morning Athletics Training
- Annual Colour Run Fundraiser

The school coordinates events such as Jump Rope for Heart, Gymnastics programs, and Sporting Schools Grants to run additional programs to promote Health and Wellbeing.

# Sporting Schools Program

Sporting Schools is a \$240 million Australian Government initiative designed to help schools to increase children's participation in sport, and to connect them with community sporting opportunities.

Sporting Schools programs subsidise or offer free programs for children and their families to help students build the confidence and capability to be active for life.

# Environmental Group

The Environmental Group runs as part of the school sport program for Years 3-6 on a Friday afternoon.

The Environmental Group is led by Mr Philip Ward. The students go on local bush walks down into the Field of Mars or work on environmental projects in the school grounds.

# Environmental Group

There are school vegetable gardens that classes can plant seeds and tend to as they grow. This often culminates in some type of cooking experience to show how the food can be used. Vegetables can also be used by the school canteen.

# Student Representative Council (SRC)

The Student Representative Council (SRC) involves students from Kindergarten to Year 6.

Two students from each class are elected to represent their class on the SRC. Our school captains and prefects lead the SRC at their weekly meetings to discuss topics that are raised by their fellow class members.

The SRC is a very valuable forum for student discussion with all students enthusiastically participating.

# Enrol Now

Enrolments are open!

Contact our school office via phone or email to arrange a **COVID safe** completion of enrolment papers.
