Term 1 Week 10

3 April 2019

PRINCIPAL'S REPORT

National Day for Action – Anti-Bullying

Thank you to our amazing staff for organising such a great event to promote students being a 'Super Friend'. Students dressed up as their favourite superheroes and participated in lessons throughout the day with a focus on 'what we can do' and 'who we are'. The students learnt about what it means to be a good friend. It was great to see so many students and staff participating.

Harmony Day

Thank you to Miss Sin and Mrs Karevski for their organisation of Harmony Day. It was fabulous to see so many students wearing traditional dress, colours that represent their country of origin or orange as the official Harmony Day colour. This year we celebrated the 20th year that Harmony Day has been recognised and it was great to see students coming together to support diversity and difference. Please see our 'Spotlight' section of the newsletter for some great photos.

PBL Signage

As you may have noticed, we have had our new PBL signs placed along the pathway as you enter the school from Badajoz Road. This is the first of many signs that will be positioned around the school to promote our school values: respectful, engaged, personal best and safe.

Thank you to the P&C for contributing funds to our new signs. We are very happy with them; they look great! Keep an eye out for more signs going up around the school shortly.

School Plan 2018 -2020

Our school has very clear Strategic Directions that we have outlined to achieve our School Plan priorities and initiatives over the next two years. Below I will outline our 2019 priorities for our **Strategic Direction 3: Engagement and Wellbeing**.

PRINCIPAL'S REPORT (continued)

Purpose:

Foster a culture of collective responsibility for student learning and wellbeing which is shared by staff, students and parents by implementing evidence-based change to whole school practice which results in measurable improvement. Enhance relationships, communication and engagement of parents to support students to connect, succeed and thrive.

Learning and Support / Wellbeing Review

Collaboratively working with the Learning and Support Assistant Principals to review our current practices, systems and organisations in line with the Disability Discrimination Act, the wellbeing framework and other DoE and Government resources

Increase our Learning and Support Teacher allocation in 2019 (\$100,000).

Gifted and Talented / Enrichment Education

Review current procedures and processes with a view to 2020 directions with a K-6 focus.

Positive Behaviour for Learning (PBL)

Ordered signage throughout the school to promote the school values (\$14,000).

Continue to review and support implementation of PBL across the school.

Footpath Upgrade - Badajoz Car Park 15 April 2019

During the first week of the school vacation we are having the paved footpath from Badajoz Road concreted, as it has become the source of an increasing number of trips and falls. In order to maintain student and parent safety during this period, we will keep the Badajoz Road car park gates locked, as contractor vehicles will be using the car park constantly.

For parents wishing to drop off students for OOSH Vacation Care, the Twin Road car park will be open. Please be especially careful in this area to ensure everyone's safety.

We are very grateful to our P&C for funding this footpath upgrade.

Carpark

At present, the Badajoz Rd carpark is used by parents in the mornings prior to 8am and in the afternoons after 4:00pm. If you are utilising this car park, can you please ensure that you park in the marked bays correctly and do not park along the drive way.

There have been incidents of staff cars being damaged with scratch marks and doors opening onto them. Please be careful and mindful when using this carpark.

Religious Education

Recently we have asked parents to update your child's Religious Education preference for the lessons taking place each week. This information needs to be updated in our system to ensure that students are going to the correct religious group, ethics class or non-scripture group.

Could you please ensure that you provide us with any changes to the current information that we have by the end of this term, so that it can be updated to begin in Term 2. Once this is updated, due to the administration time this takes, it will not be updated again until Term 3 should you wish.

School Holidays

It is hard to believe that Term 1 is coming to an end. Our Kindergarten students have already participated in 10 weeks of learning and it is amazing to see how much progress they have made. Our Year 6 students only have three terms of primary school left, after 7 years. Time goes very quickly. I hope that you have a lovely school holiday break and get to spend some quality time with your family and friends.

School Holidays commence on Monday 15 April and conclude on Monday 29 April. All **students return to school on Tuesday 30 April 2019**. We look forward to seeing you back here then.

Have a safe and restful break.

Miss Katrina Verinder, Principal

STAFF NEWS

RYDE EAST COLOUR RUN – WEDNESDAY 10 APRIL

The Colour Run/Splash and Dash is fast approaching. This was the highlight of our school calendar last year and we want to ensure it is a BLAST for all students. Please ensure you have signed and returned the permission note to the front office by **Friday 5 April**.

Just a few reminders for the day:

- Clothing – whilst it is a mufti-day, please consider the possibility of minor staining from the coloured powder. Students are encouraged to wear a white T-shirt as this heightens the effect of the colour, closed in shoes and should have a hat (preferably not a school hat)
- Staff and volunteers at the colour stations will do their best to squirt the powder at the torsos of participants, however wind and other factors can result in students getting powder in the face. As such, you **may** wish for your child to bring their own eye protection such as sunglasses or goggles or a bandana/face mask for students with respiratory conditions.
- Consider sending a towel or change of clothes for after the event, particularly if your child travels home in a car.
- This is a school fundraising event and all money raised will benefit the students at our school, so ensure you have registered your child/ren by logging on to schoolfundraising.com.au

Assembly will **not** take place on this due to the colour run event.

Looking forward to another great day!

Nicole Doig
Rel. Deputy Principal

STUDENT NEWS

Andrey Butko (5/6W) participated in Intermediate fleet in [NSW State Optimist Championship](#) in Gosford and took 5th spot in Intermediate fleet overall. Andrey took 1st spot in one of six races over two days among a fleet of 38 boats, with participants coming from as far as Singapore and Tasmania!

Andrey only started sailing in January, quickly progressing from Tackers 2, 3 then to Green Fleet and to Intermediates over a period of two months. He has been training twice a week. Sailing is a very special sport, requiring a lot of skill, persistence, focus and of course endurance. Many sailing clubs in our area offer tuition and fun activities for children and families. Andrey has been sailing with the Hunters Hill Sailing Club.

Congratulations Andrey on your achievement.

SCHOOL BANKING

It's with great pleasure that I can confirm that the School Banking Program will be going ahead.

Welcome to our New School Banking Coordinators, Sarah Zhang and Brooke Snelling. Sarah and Brooke will be sharing the Coordinator position.

We also have the following new volunteers: Roslyn Kane and Elaine Yap.

Big welcome to all our new volunteers, as without them the School Banking Program wouldn't be running.

I'd like to say a very big thank you to our current and previous team: Simone Haslehurst (who came out of banking retirement to help us this term), Kim Rosenfeld and her mum Rhondda Inchley (Left at the end of last year) - you've done a wonderful job each week processing our huge numbers of bankers!! And thank you again to Katrina Samawi, Helen Frazer and Irene Maier for giving up their time and continuing to help our team. Many hands make light work.

Banking will resume next term on 2 May.

If you have any questions, you can contact the team at schoolbanking.reps@gmail.com or phone our new coordinators: Sarah Zhang on 0414 766 607 or Roslyn Snelling on 0402 851 090.

Thank you to all the volunteers past and present for your help over the years. I wish everybody at REPS all the best in the future. This is definitely goodbye from me.

SCHOOL WATCH

All current and new members of our team have been emailed the draft roster for Term 2. If you think you missed receiving it, please let me know! Next week the roster will be finalised and confirmed.

Thank you to all who have joined our team recently! There is always room for more to share in strolling through the school after hours to check all is well. Because we have new members, the number of shifts per member has been decreased. However, any of our members are free to check around any time to ensure our school is secure and safe.

If you are willing to join our team or would like more information, please write a note or email the school office with your name, phone and email contact details and they will pass on your message.

WORKING BEE FOR KINDERGARTEN FAMILIES

What a wonderful turnout we had last Sunday! It was a hot, humid day and the morning after election day, but there were 65 at the working bee, so we achieved a lot and our grounds are looking great once again.

Achievements included:

- Rotary-hoeing the soft-fall material around the playground equipment
- Pressure cleaning metal seats and Covered Outdoor Learning Area (COLA)
- Weeding, levelling and mulching the gardens near OOSH
- Mowing and brush-cutting long grass in areas which cannot be done by the ride-on mower
- Cleaning the playground and scooping up leaves around the tennis courts
- Weeding the garden area outside the school office
- Spreading mulch around the gardens near the sundial
- Washing playground seats and tables
- Shredding dead leaves and branches

Thanks to organisation by class parents, plus leftover bread rolls from the day before, we all enjoyed morning tea and a barbecue lunch.

Next working bee will be for **Year 5** families on **Sunday 5 May**, when we will aim to have our grounds ready for the annual Ryde East Music Festival.

Dates scheduled for the rest of 2019 are:

- Sunday 5 May - Year 5
- Sunday 23 June - Year 1
- Sunday 25 August - Year 4
- Sunday 22 September - Year 2
- Sunday 27 October - Year 3
- Sunday 24 November - spare

You are, of course, welcome to come to any working bee, even if it is not the turn of your child's year.
