ATHLETICS CARNIVAL

PRINCIPAL'S REPORT

NAIDOC WEEK

This week we celebrated NAIDOC week with students participating in an Aboriginal Outback experience that took place at school. This opportunity assisted the students to deepen their knowledge of Australia. The experience included a didgeridoo show, Aboriginal storytelling, a display of artefacts, bush survival skills, Aboriginal songs and dancing, face painting and interactive Aboriginal art. The students appeared to enjoy the experience and took part in creating an Aboriginal artwork using their handprints. Thank you Mrs Karevski and Mrs Johnson for organising this event.

ATHLETICS CARNIVAL

What a fabulous event! Thank you to Miss Winsley and all of the staff and parent volunteers who organised and supported this well run carnival. Well done to all of the students who participated and competed, demonstrating good sportsmanship. Carnival ribbons will be handed out at the K-2 and 3-6 Assemblies this Friday 10 August and age champions will be announced at the Gold Card assembly in Week 4 on Friday 17 August.

PARKING

Please be aware that all parking on our school site is allocated for staff. I understand that parents attending OOSH are able to use the carpark off Badajoz Rd up until 8am. If you are doing so, please be mindful that staff will be entering the carpark during this time as well. Please use the marked bays provided and do not park along the side of the drive way, this needs to be clear for cars coming in and going out. Thank you for your support with this.

SCHOOL WEBSITE

In previous correspondence I informed you that the new school website would be published on Thursday 9 August, unfortunately this date has been moved back. We are hoping that the site will go 'live' by the end of Week 5 (Friday 24 August). Thank you for your patience with this.

PRIVACY AND CONFIDENTIALITY

As I recently discussed in the P&C Meeting held on Tuesday 1 August, all personal information provided to the school by yourselves as parents or carers is protected under the Privacy and Personal Information Protection Act 1998. This Act 'provides for the protection of personal information held by government agencies and imposes obligations on government agencies in the collection, storage, use and dissemination of personal information'. 'Personal information held by the Department of Education and Training includes information on students, employees, parents, guardians, caregivers, clients, employers, business partners and associates'.

I know that on occasion parents ask for information to be provided about other students within the school in relation to their needs, behavioural consequences and diagnosis. Please be aware that I am unable to provide you with this information under the Privacy and Personal Information Protection Act 1998. As a school we always ensure that any concerns raised are managed in line with school and Department policies, to provide the best possible outcome for all involved.

As a school we will always provide as much information as we are able to depending upon the circumstances. Thank you for your support and understanding with this.

Our students will be learning the skill to become visual critics. Where we will be viewing the CBCA shortlist, making, creating and critiquing illustrations that accompany the shortlisted books.

I am also co-ordinating a book swap this term.

Books will be collected during library lessons from Week 3 till Week 5: Monday 6th August - Friday 24th August 2018.

Students can bring a book of their choice. The book can be either fiction or non-fiction. It must be a book that you child isn't reading. WORKING BEE FOR YEAR 1 FAMILIES

Although there was only short notice after the holidays, our wonderful Year 1 class parent team managed to stir the enthusiasm of the grade and we achieved a very pleasing attendance of over 80 at last Sunday's Working Bee... and in keeping with the spirit of National Tree Day, we did lots of planting!

Unexpectedly there were others on site, including painters who are still finishing their work on the premises, so once again not all planned work could be done. Tasks we did accomplish included:

- Raking and rotary-hoeing the soft-fall material around the playground equipment
- Shredding dead leaves and branches
- Lifting bay tree pots and sealing the ground to prevent spread of roots
- Tidying up the Peter Rabbit gardens
- Planting the donated clivia and agapanthus plants along the back wall of the administration building
- Brush cutting and clearing rubbish, rocks and fallen twigs from the playground
- Weeding gardens and spreading mulch
- Weeding and cleaning along the main driveway to the hall carpark
- Pressure cleaning the tennis courts

We all enjoyed the usual morning tea and barbecue lunch (complete with salad trimmings!) thanks to the organisation of our class parents and others who brought food to share.

Next working bee will be for families of **Year 4 students on Sunday 26 August.**

Working bee schedule for the remainder of the year is Year 2: Sunday 23 September, and Year 3: Sunday 28 October.

Please record your dates in your calendar.

REMINDER: SCHOOL BANKING COMPETITION ENDS TERM 3

This year, School Banking is running a Super Savers Grand Prize competition that will take one lucky School Banker and their family of up to two adults and three children to Hawaii. The trip includes:

- Return economy flights to Honolulu, Hawaii plus airport transfers
 - 7 nights accommodation at the Sheraton Waikiki Hotel staying in a Luxury Ocean Room, with beach views and breakfast included
- AU\$2,000 spending money.

To enter simply make 15 or more School Banking deposits before the end of Term 3 2018 to automatically receive an entry into the competition for a chance to win. Find out more at commbank.com.au/schoolbanking.

If you have any questions you can contact us at schoolbanking.reps@gmail.com or phone Elspeth Orlandi on 0402 850 044.

Calling for Banking Coordinator/s and volunteers!

First of all I would like to thank our volunteers: Simone Haslehurst, Katrina Samawi, Kim Rosenfeld and our grandmothers Rhondda Inchley and Helen Fraser for their continuous effort over the years. Also thank you to Emma Thompson, Rose Darani and Ayesha Ahsan for their help, but due to circumstances are no longer able to volunteer.

Our students really enjoy participating in the School Banking program and to keep this program running we need more volunteers as a few of us will be leaving Ryde East at the end of the year. We do not want to stop banking as we don't have enough volunteers or coordinator/s to take over.

The program requires a volunteer School Banking Co-ordinator/s to facilitate the banking, distribution of School Banking rewards and Newsletter articles. This only takes a small amount of your time one day a week (Thursday) and the team and I will be provide support in how to run the program. No banking experience needed. You can also do the Banking Coordinator position with a friend if you want to share the responsibilities. Even though this is my last year, I will still be around to help.

We also need Volunteers to process the banking on Thursday. You just need to count the money in the student bank book and make sure it all adds up at the end.

As a Coordinator or Volunteer you will only have to do 3-4 shifts a term and it's a great way to meet other mums and grandparents on the team. Yes, grandparents and dads can join the team too!!!

If you are interested in volunteering or would like to know more about the program, you can contact us via: email at schoolbanking.reps@gmail.com, by popping a note in your child's bank book, by dropping in one Thursday morning or phone/text Elspeth Orlandi on 0402 850 044.

Vacation Care report

The July vacation care was full of incredible activities, exciting incursions and amazing excursions. The children loved the Gala Fun Day Out where they were able to go on so many different activities. The Fun Day Out had something for everyone; jumping castles, laser tag, inflatable courses, bubble soccer and so much more. One of the incursions that the children really enjoyed and maximum number attended was the GO Kart. They also enjoyed the wheels day. They rode around and around, spending the day outside and learnt many different road rules. Better yet, the day didn't consist of any injuries! Of course, the favorite day of vacation care was, Movies and McDonalds. The children also enjoyed the Disney on Ice and visited the Australian Museum. The weather held up really well and all in all vacation care went really well, enjoyed by both staff and children.

Term 3, week one and two report

It's almost unbelievable how quickly this year is going by, term three already! The week was full of free play as the children caught up with their friends after the holidays. OOSH buzzed with conversations about holiday fun, including those days spent in Vacation Care. Children has been doing craft based on Disney, Space and Antarctic theme. In terms of our outdoor activities, we continued to combine both free time for children to individually play with sport equipment of their choice, as well as organized activities based on suggestions from the children. Activities for first few weeks included handball, volleyball, dodgeball, equipment play and skipping. Overall, the weeks was extremely enjoyable for the children as we continued to get back into routine after school holidays.

Night work on Lane Cove Road, North Ryde from Sunday 12 August

The NSW Government is funding this essential maintenance work under its \$1.5 billion program to maintain and improve the 18,028 kilometre state road network.

Roads and Maritime Services will be carrying out asphaltting and road markings on Lane Cove Road between Twin Road and Dobson Crescent.

Our maintenance work aims to prevent or minimise damage to roads from weather and wear and tear to make them safer, provide consistent driving conditions and reduce maintenance costs in the long term.

Our work schedule

We will be on site for eight night shifts between Sunday 12 August and Sunday 30 September, weather permitting. Our work hours will be between 8pm and 5am from Sunday to Thursday.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including staging work in different locations and completing the noisier tasks by 11pm.

Access to some homes and businesses may be affected during shift hours but traffic controllers will be on hand to make sure you can enter and leave as required. Access to bus stops may also be affected, but traffic controllers will direct you to temporary stopping points nearby.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Up to date information on the work will be displayed on electronic message boards along the road.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

If you have any questions, please contact our delivery partner, Downer EDI, on 1300 776 069 or communityrelations.psmc@downergroup.com.
