RELIEVING PRINCIPAL'S REPORT

Ryde East Lego Brick Fair

What a fantastic day we had on Sunday at this inaugural event. The hall was packed with visitors all eager to see the magnificent Lego exhibitions. With over 2000 people visiting our school, it was great to see Ryde East on display. Thank you to the members and the P&C committee for their organisation of this hugely successful event.

Tell Them From Me Parent Survey

Parents and carers are invited to participate in the Tell Them From Me Partners in Learning Survey. This survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

To access the survey for our school go to: <https://nsw.tellthemfromme.com/refs12>

2019 Enrichment Classes

Last week, a note was sent home to students in Years 2 and 4 regarding applications to our 2019 Enrichment classes. It is important that parents read this information carefully as any offer for a place in these classes will be for a period of 12 months. In 2019, an evaluation of our current model of Enrichment Education will determine future directions, therefore there is no guarantee that beyond 2019 students will be placed in enrichment classes. Application packages are available from the office or can be downloaded from the school website.

Positive Behaviour for Learning

The introduction of reflection sheets is an important step in managing behaviours. Reflection allows students to learn from their actions and grow. Reflection sheets may be completed by students if they are not displaying appropriate behaviours across all school settings. This process involves a discussion with a teacher on how their behaviour could be changed and what they could have done instead so the situation has a positive outcome. Occasionally, students may also be asked to complete a reflection sheet if they have been a bystander to an incident to ensure the teacher receives all available information.

Stewart House mufti day

The efforts for Stewart House this year have been a great success. We hope to repeat or even beat previous efforts during our next endeavour for Stewart House, which will be a mufti day with a gold coin donation. The theme voted for this mufti day will be favourite book or movie character. This will be held on Thursday 27 September. Please send a gold coin to school with your child on this date.

School Concert

Thank you to all the parents, family members and friends who came and supported our school concert. The students had a fabulous time and shone on stage.

Being the first time we have used a new venue, a new ticketing system and new format, we would love to hear from you to make the shows as amazing as possible for future years. If you could take 3-5 minutes to complete the survey, we can look at ensuring our next school concert is just as spectacular. Please visit the following link to start the survey: <https://www.surveymonkey.com/r/XFDZZ22>

We will endeavour to publish the photos that were taken on the school website as soon as possible. Please be patient as there are over 1000 photos and we must sort through the photos to ensure that those students have permission to publish. Please keep an eye out for the video link of the school concert which will be shared soon.

Photos and videos **cannot** be published or posted on any social media sites. These photos and the video are for your own viewing and use only.

P&C NEWS

What a fantastic Term 3 it's been, with a couple of awesome P&C events and the very memorable two nights of the school's musical performance. As a parent community, we want to say a huge thank you to all the children and the teachers for their hard work in putting on such a great show.

Well done also to **Kelly Centellas** and her team who put on a fantastic Father's Day Breakfast. The popularity grows every year and this year there were 391 hungry people in attendance, to celebrate Dad's favourite day.

Last Sunday we held the first Ryde Brick Fair at our school, and a big thanks goes out to the team of Lego lovers who helped put this together. Last year, **Handoko Setyawan**, father of two at the school, brought the idea of running a Lego Brick Fair to the P&C. We loved the idea, with Lego being such a universally loved activity, inclusive of all ages, genders and abilities, so we all decided to go with it. With over 2,000 people through the door, it helped showcase our awesome school to the external community, and widely demonstrated the dedication that our parents have for supporting the school and their children.

Congratulations goes to **Dane B (1B)**, **Amber L (K1K)**, **Sophie S (3/4D)** and **Sam C (5/6S)** for winning the Lego building competition and I hope you all got some inspiration from some of the amazing exhibits on display at the Brick Fair.

Thanks goes to sydLUG and the cosplay performers for making the day very special for all who attended, and special thanks to **Handoko Setyawan, Hugh Taranto, Lisa Uys, Nicole Takita, Kate John, Rupert Su** and **Sophia Andersson** for your dedication to the messenger thread for the past two months! Thank you also to **Bill Olsen** and the BBQ team, **Siobhan Reynolds** and the Cake Stall team, and all of you who volunteered or baked to help make the successful day happen. It is much appreciated.

For those who attended, I'd love to hear your (constructive) feedback. What did you love, what could be improved, and do we want to run this each year? Feel free to email me at presidents.reps@gmail.com

OOSH NEWS

Term 3 Week 7 and 8

It has been another action-packed fortnight here at Ryde East OOSH.

Week 7 began with us looking at the craft theme of child safety, in light of child safety week. Crafts to help look at child safety included, making bike helmets, traffic lights and swimming between the flags. Whilst children were participating in craft, staff members told the children about the importance of following these safety features. Activities for the week included free play, games such as pac-man and bulrush, and our optional dance classes for the children on a Wednesday afternoon. Children could do this as they were nourished with food such as French toast in the morning and choc chip muffins and hot dogs in the afternoon.

Week 8 began with a change of season as we progressed into Spring. We enjoyed this warmer weather by playing outside and partaking in activities such as free play on both the top and bottom oval, playing on the play equipment and enjoying games such as dodgeball and binball. Our craft theme reflected the change in season, as we created crafts such as cherry blossoms, butterflies and kites. The children were again well-fed, with foods such as banana bread in the morning and tuna wraps and nachos in the afternoon.

Overall, it has been another busy and enjoyable week for both the children and staff at Ryde East OOSH.

INVITATION TO JOIN OUR MUSIC PROGRAM IN 2019!

Learning to play a musical instrument can be so rewarding and valuable for a child. The skills of visual and aural perception, as well as self-discipline, will benefit students in years to come. Next year will be an exciting year for the music program at Ryde East Public School, with our highly skilled tutors planning events that will give the children valuable musical opportunities throughout the year.

In 2019, children have the opportunity to learn the following instruments:

Flute, Clarinet, Saxophone, Oboe, Trumpet, Trombone, French Horn, Euphonium, Guitar (Acoustic, Electric and Electric Bass), Violin, Viola, Cello and Recorder (Descant and Treble).

If you would like your child to be considered for one of the above instruments, please complete the online form from midday 14/09/18 <https://goo.gl/forms/SyEGSIFMTJ86YTOe2>

Places with tutors are limited, so these applications will be viewed on a first come, first served basis.

Learning Flute, Clarinet, Saxophone, Oboe, Trumpet, Trombone, Euphonium or French Horn

Learning an instrument involves both a half-hour lesson on that instrument **and** a band rehearsal each week, either in the REPS Band (new comers become members of the REPS Band as soon as their tutor deems them ready) or in the PERFORMANCE Band, which is by audition only. We have a limited number of instruments available for students to hire. Current hire costs are \$200 per year, plus a \$100 refundable bond, or students can use their own. Indicative lesson fees will be \$41/individual half hour lesson per week, payable to the tutor, plus \$8.50 per week for band, payable to the Music Program Committee (both of these are invoiced separately at the start of each term). There is also an annual administration fee of \$100 which includes the cost of the Music Day next year. For beginner students, a tutor may agree to a paired lesson or 20 minute individual lesson at a reduced fee, although we believe that a student will get the most benefit and make better progress by having a half-hour private lesson.

The school bands perform at a number of events throughout the year, including the Ryde East Music Festival, Wahroonga Music Festival, the NSW School Bands Festival and the Granny Smith Festival as well as school assemblies and other important school events. Students can also perform as soloists, and in ensembles, at our Music Day, which is held in April/May, and at the Musical Variety Night held in November of each year.

Learning Guitar

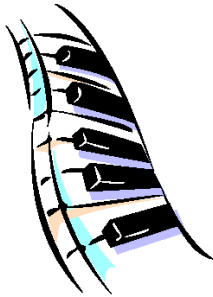

At Ryde East we offer electric, acoustic and bass guitar and ensemble skills. The emphasis is on fun and creative expression, also developing music skills and hand techniques. For students who will be in Years K - 6 in 2019, private lessons will be available at an indicative cost of \$41 per half hour lesson. A limited number of guitars are available for hire from the Music Program. There is also an annual administration fee of \$100 which includes the cost of the Music Day next year. Our Guitar Ensemble performs at a number of events throughout the year and are always a pleasure to listen to.

Learning Violin, Viola or Cello

String lessons are also on offer through the school. Indicative lesson fees will be \$41 per half hour lesson payable to the tutor. Students are to join the Junior String Ensemble or the Senior String Ensemble as determined by the tutor. String Ensemble fees are currently \$10 per week. Instruments would need to be owned or hired privately. Our tutor would be able to suggest some instrument hire options. There is also an annual administration fee of \$100 which includes the cost of the Music Day. In 2019 there will be the opportunity for 10 of our string players in years 3 to 6, to play at the Sydney Opera House as part of the Festival of Instrumental Music. There will be additional costs associated with this performance opportunity.

Keyboard Positions for Bands

Our REPS and Performance Bands each have two positions for keyboard players. The Rock Band has one position and the Jazz Ensemble (TBC) one position. Students are selected after an audition with our Band Master. To be able to apply, your child must currently be having piano lessons and have at least two years' experience on the piano. If selected, their allocation to the appropriate band will be dependent on their skill level. If interested, or to see if positions are available, please contact our Band Manager, Kim Bunny, via email on manageband.reps@gmail.com

Learning Recorder (Descant and Treble)

In 2019 we will be offering recorder as a group lesson for both descant and treble beginner students. Indicative individual lesson fees are \$41 per half hour lesson. Recorder Ensemble fees are currently \$10 per week. Recorders and any books needed will be ordered and charged at cost. There is also an annual administration fee of \$100 which includes the cost of the Music Day. In 2019 there will be the opportunity for 10 recorder players from years 3 to 6 to play at the Sydney Opera House as part of the Festival of Instrumental Music. These students will need to have individual lessons. There will be additional costs associated with this performance opportunity.

If you have any queries about any aspect of the Music Program, please email our Music Coordinators (Lisa Cowgill & Lina Diaz) at rydeeastmusic@gmail.com
