KINDERGARTEN ORIENTATION

PRINCIPAL'S REPORT

Kindergarten Orientation

Thank you to Ms Flammia and all of the staff who organised these very successful transition visits to school and the information sessions for parents. It was great to see so many children and parents attending all three sessions. The students were engaged in lots of fun activities in the classroom to give them a little taste of school. The parents also got to see some of the games and activities students engage with at school. We look forward to officially welcoming you all here in 2019.

2019 Planning

Thank you for respectfully letting me know if you had any requests that you would like us to consider for 2019 class placements. Letters have been received and considerations will be made in relation to this when we are forming classes. Thank you for trusting us to make educationally sound decisions about the placement of your children next year.

We have begun planning for 2019, so if your child or children are not returning to Ryde East next year and you haven't already informed me, could you please do so as soon as possible. This will enable our planning process to be accurate and more formalised.

SPORTS NEWS

Congratulations to Taara K, 5/6W who competed in the NSW PSSA cricket championship. Her team, Sydney North, won for the third year in a row. They made it to finals undefeated after 6 matches, and then won a really tight grand final against Mackillop. Taara personally had a fantastic season with the third highest total score across the board, including two 50s. She has now been selected into the NSW team representing Ryde East. Well done Taara.

Mrs Winsley

STAGE 2 NEWS

This semester stage 2 have been developing their project based learning skills. For a session each week students have worked collaboratively in groups to research a particular town or city in Australia, finding out what sort of attractions and activities there are for different target markets. They have used their research to create a presentation of their town or city by means of posters, slideshows, brochures, dioramas, videos and so on. The students are excited to share their projects with you during our open classroom afternoon. If you would like to see what the students have been working on the stage 2 classrooms will be open for project viewing on Monday 26th November at 2:30pm. We look forward to seeing you.

JUMP ROPE FOR HEART

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for 35 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$75 million for the Heart Foundation's lifesaving work.

It's important you **register your child online**, so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started.

https://jumprope.heartfoundation.org.au/2018/Ryde_East_Public_School_-_NORTH_RYDE_NSW_-_138878

Students will be skipping throughout the term in sport lessons and during lunch break. During this time you can share their online fundraising page with family and friends to help raise money for this great cause. Fundraising will close on Friday 23 November (Week 6).

We will hold our school Skip Off Day on Wednesday 12 December. This will mark the end of the program and is a chance for everyone to come together to skip and show off their newly learned skills.

Thank you for supporting the Jump Rope for Heart program!

We get together once a week for a chat, a cuppa and of course to count and stamp our kids' deposit slips.

It has been another fun filled fortnight here at Ryde East OOSH. Week 3 began with children creating Craft celebrating the Hindu celebration of Diwali. Children made a variety of crafts which included clay candle holders, lanterns and Hana painting on the hands. There was a range of activities for the children to enjoy which included free play, both on the oval and under the COLA, running games and dodgeball. Our menu for the week included foods such as garlic bread, pasta bake and banana bread. In Week 4, our craft was under a range of themes. We continued celebrating Diwali, as well as creating crafts for the Melbourne Cup, and allowing children to choose specific crafts for the day. This culminated in crafts such as horses and Melbourne Cup hats, Diwali Clay creations, and beaded friendship bracelets. The activities that we did with the children this week included games up at the hall, hockey, and free play under the cola and on the oval. Food for the week included scrambled eggs, Weet-bix slice, and waffles. Overall, it has been another busy and enjoyable fortnight here at Ryde East OOSH.
